

GlenFarrow

ELECTRICAL SERVICES

Electrical Services

GlenFarrow's new electrical division offers a full Mechanical and Electrical combined service, allowing GlenFarrow to deliver customers an even broader service than ever before. We are fully NICEIC registered and provide a 24 hour call out service. This is a great complement to the call-out services already available across our other divisions.

Scope of supply:

- NICEIC registered
- 24 hour call out service
- Panel design and installation service
- Testing & Periodic Condition Reports
- Annual servicing of graders, conveyors, crop drying and electrical panels
- Full electrical design and installations service, including fire alarms and emergency lighting
- Planned Preventative Maintenance PPM
- Installation of CCTV and intruder alarms
- CAD design services

Areas of expertise:

- Agriculture
- Horticulture
- Food Production
- General Industries
- Construction
- Irrigation
- Schools and Colleges
- Local Authorities

About GlenFarrow

With over forty years' experience, GlenFarrow has developed a reputation for prompt, reliable service. Our expertise covers five core areas:

- Biomass Boilers
- Commercial Plumbing and Heating
- Electrical
- Irrigation
- Waste Water Treatment

Our skilled staff can undertake major installations, refits or small upgrades, as well as contract servicing and emergency breakdown call out. We also offer full trade counter support across all core areas.
