

## Renewable Heat Incentive (RHI) information

# The GlenFarrow GF90 Biomass Boiler

## RHI non-domestic payback calculations example

(Based on OFGEM Guidance, published 1st September 2017 - effective from 20th September 2017)

### GlenFarrow GF90 Biomass Boiler

A	Boiler rating (peak output)	90 kW
B	Tier 1 rate	£0.0296
C	Tier 2 Rate	£0.0208
D	Load factor	40%
E	Hours per year	8,760
F	Load factor per year	3,504
G	Annual usage kWh	315,360
H	Tier 1 break point	3,066
I	Maximum tier	275,940
J	RHI tier 1 payment	£8,167.82
K	Tier 2 start point	39,420
L	RHI tier 2 payment	£819.93
<b>M</b>	<b>Annual RHI payment</b>	<b>£8,987.75</b>

The information in this table is based on the boiler being operated at its peak output and is for illustrative purposes only.

It is based on Ofgem guidance published 1st September 2017. 90 kW is the boiler's peak output and the actual operating output will vary due to the nature of batch-fed boilers.

**For a GlenFarrow GF90 Biomass Boiler at a load factor of 40%, the annual RHI received will be:**

- A Boiler rating in kilowatts
- B Tier 1 payment tariff set @ £0.0296 per kilowatt of energy used
- C Tier 2 payment tariff set @ £0.0208 per kilowatt of energy used
- D Load factor of 40% is an average (dependent upon demand of installation this could range from 15% to 55%)
- E Hours per year (24hrs x 365 days = 8,760 hrs)
- F Load factor per year D x E (40% x 8,760 = 3,504 hrs)
- G Annual usage kWh F x A (3,504 x 90 = 315,360 kWh)
- H Tier 1 break point is set @ 3,066 hours per year of operation
- I Maximum kWh tier 1 A x H (90 x 3,066 = 275,940 kWh)
- J RHI maximum tier 1 annual payment B x I (£0.0296 x 275,940 = £8,167.82)
- K Tier 2 start point G – I (315,360 – 275,940 = 39,420 kWh)
- L RHI tier 2 annual payment C x K (£0.0208 x 39,420 = £819.93)
- M RHI annual payment J + L (£8,167.82 + £819.93 = £8,987.75)**

Emissions, Planning and Legislation: GlenFarrow Biomass Boilers are not approved for UK smoke control areas. It is always the customer's responsibility to check for planning regulations, requirements and any other relevant legislation. | **DISCLAIMER:** Glen Farrow UK Ltd disclaims any liability incurred with the use of this data or specific details.
